

Press release

The intui.travel transfer will participate in ITB Berlin Exhibition – the main forum of the international tourism industry that will be held in March of 2018.

Intui.travel transfer will be introduced in the category 'Travel Technology' of ITB that will take place in Berlin, Germany, 7-11 March 2018. ITB Berlin is a major event of the international tourism industry, the participants come to the forum from all over the world. ITB Berlin opens borders of tourism and dictates new trends, and Intui.travel transfer does the same. More information about the location of Intui® on the ITB Berlin forum exposition will be published for our guests later. The venue of the ITB Berlin is Messe Berlin GmbH.

During the exhibition, Intui.travel transfer will introduce its solutions and travel technologies products. The guests of the forum will have a chance to examine the products themselves, Intui.travel transfer will demonstrate the system of easy and fast booking transfers online. In addition, the experts of Intui.travel transfer will take part in events of the ITB Berlin prepared by the organization Messe Berlin GmbH. Meetings, conferences, seminars, symposiums, roundtables, and other events – take a look at a program of the ITB Berlin, when it will be published, to find our speakers in it.

Intui.travel transfer will prepare new modifications of its products, mobilize all the creativity and find new effective solutions in Intui® development, implement new interesting chips for users of Intui® system and passengers of Intui® transfers. Intui.travel transfer will make its products presentations, hold roundtables on its business model or organize briefings and press conferences, or another event. Participating in the ITB Berlin, Intui.travel transfer is going to expand its cooperation with companies on the global market of tourism: travel agencies, transport agencies, airlines, hotels, carrier companies, other organizations, working in the sphere of tourism, recreation, travel, and transportation. Technological web solutions of Intui.travel transfer can be interesting to a much wider range of participants and guests of the ITB than mentioned above.

Participating in the exhibition in Berlin from the 7th till the 11th of March, 2018 and communication with the guests is a pleasure for Intui.travel transfer as it tries to provide the best services, being a client-oriented company, interested in developing client marketing. In advance, Intui.travel transfer has a pleasure to invite its clients, partners, investors, and guests to Intui's stand. ITB Berlin is the leading exhibition for the global travel industry, it will be interesting to a great number of tourists, individual and group travellers for leisure and business, professional travel organizations and representatives.

ITB Berlin will provide a platform to engage and exchange the experience to create better products on the huge and high competitive travel market. Cooperation, setting new partnership, establishing the investor and consumer relations, public relations – Intui.travel transfer is opened for all of that in the framework of ITB Berlin in March next year as well as it is opened always.

Intui.travel transfer traditionally takes part in the most important international events, now you are welcome to Intui® at ITB Berlin. Take care of visiting this forum in spring and meet Intui® – the travel technology and tourist-friendly company. Working with Intui.travel transfer is quite easy and promising, the company presents travel technologies for b2b and client service for b2c and always strives to establish new strong business contacts.
